WHO WE ARE

ANORM SPORTS was born from an innovative idea. We wanted to create Boxing, MMA Gloves and Apparels which provides best performance during fight. Since our beginning in 2011, a lot has changed but our goal has stayed the same. Our line of product has grown but we are still driven to manufacture quality comfortable Boxing, MMA Gloves and Apparel by adapting smart wearable technologies. We conduct ongoing research to the real needs of the fighters and professionals to adapt and manufacture our products in line with the evolution of the sport.

Our company is well known in combat sports industry for its quality, price and services. We are very proud to manufacture products for international Brands.

PRODUCT AND SERVICES

We work every day to provide Customers with greater accessibility to the widest range of Combat sports and Fitness. ANORM Sports offers all equipments in any discipline needs. The Design of our product is paramount to us. We are loved by many communities from Brands, Clubs, Trainers, Fitness and Outdoor enthusiasts. We have been able to provide some of the shortest lead time in the industry through our speed to market manufacturing model.

Thank you for your business. Together we could all contribute positively to physical, mental and social well-being of our communities.

OUR VISION

TO BE THE LEADING INNOVATOR IN DESIGN, DEVELOPMENT AND CREATION OF COMFORTABLE PRODUCT.
